Your friendly, neighbourhood Spiderman!

On Wednesday this week, our Reception classes had an unexpected visitor....Spiderman!

This was an ideal turn of events though as the children were learning to write and count with superheroes!

Spiderman is always welcome at South Borough!

Year 3 Art

Linking art work to topic and mathematics, Year 3 had an amazing cross-curricular lesson this week with Mrs Langridge.

They learned about Theodosius of Bithynia and the invention of the sundial, before designing and making their own working sundials using paper plates and a pencil as a gnomon.

To complete the lesson they took their dials outside to find the correct position to tell the time, we then created a human sundial – fun and creative learning with Mrs Langridge once again!

Year 5 Film-making!

With the parent's and carer's viewing just around the corner (Thursday 18th May), Year 5 went into fifth gear to get the class film completed!

This week was all about post-production; deciding which video clips made the final edit and which ones ended up in the 'Outtakes' folder! We spent our time learning how to edit the length of clips and how to apply special effects to make the film seamless.

Taliya Davies in Year 5 said, "I really enjoyed being one of the actresses, especially as I got to be one of the antagonists!"
