Year 6 'Wasted' Workshop

On Thursday, South Borough hosted a workshop on addictive substances which was hosted by the A.D.A.D. (<http://www.theatreadad.co.uk/index.html>) who are an educational theatrical organisation. Year 6 were joined by the Year 6 classes from Parkway Primary School for this joint venture.

Primarily, the talk was about the effects of drug abuse and it is safe to say that the entire group was fully engaged by the discussion, the hard-hitting performances and the information they received.

More information is available from their website.

Year 5 Murder-Mystery!

This week Year 5 have based their Reading and English learning on our class book for this term, 'Point Blanc' by Anthony Horowitz, which has involved a murder-mystery investigation!

A character called 'Michael J. Roscoe' had a fatal accident down an elevator shaft with suspicious circumstances - it was our job as budding journalists to write an effective news report on this tragic 'accident'

We focussed our efforts on learning about effective ways to express ambiguity, suspense and to use rhetorical phrases with the audience in mind.

Swale Academy Trust hockey tournament

On Thursday, all of the primary schools under the Swale Academy Trust banner came together to compete in a hockey tournament.

Having won the previous intra-trust Water Polo tournament last July, Westlands were the current holders of the Trust Trophy – but it turned out to be Istead Rise who were the team to beat. They were well-deserved winners!

Much fun was had and, as always, new friendships were formed on and off the pitch.
