### Happy St George's Day

South Borough children enthusiastically joined in with the St George's Day celebrations by wearing red and white clothes into school for the day! They had fun in class assemblies discussing the history and the legend; raising money for the school by contributing £1 each too! Well done all!

### Year 3 Pizza Art

In one of the most cross-curricular lessons of the term, Year 3 combined their art skills with maths and topic knowledge to create pizza-like photographic montages!

Individuals selected their own photos to trim and place for effect; including shapes and geometric patterns. Inspiring work by Miss Foster and Mrs Langridge! Fun learning had by all!

### Year 5 Angle Hunt!

On Tuesday, Year 5 went on an angle hunt as part of their geometry topic in mathematics. The challenge was to find right angles, acute, obtuse and reflex angles around the school playground.

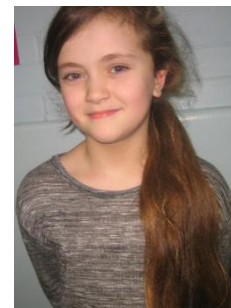

Rhiannan said, "It really helped me to recognise different types of angles!"

### Amazing Gesture!

Ellie Mulvey, our selfless little charity worker, raised over £400 by having her hair cut and donating it to children in need! What an achievement – thanks to all who donated!

I'm sure you'll agree with us when we say that her new style suits her down to the ground!
