

# *Dinosaur On The Loose in School Playground!*

Mr Perring, the caretaker at Southborough Primary School, saw a ginormous t-rex on the loose in the playground at the school. Mr Perring was out in the playground cleaning at midnight on Tuesday 21st May when he heard a rustling in the trees. “What on earth was that?” said Mr Perring. He walked towards the trees and a giant t-rex jumped out at him. Mr Perring said, “I ran for my life! And hid under the slide in the play area. I watched as the t-rex destroyed the fences and play equipment.” Luckily the t-rex stopped

for a nap in the Little Stars Nursery and Mr Perring tiptoed past and locked all the doors and closed the blinds. Mr Perring was so tired that he fell asleep in the little hall and when he woke up the next morning the t-rex had disappeared!

*Dinosaur ready to eat pupils!!!!!!*
