Dear Parents,

I am writing to let you know that there is an exciting development here at South Borough, due to our recent good OFSTED report and our good results the Local Authority have asked us to increase the size of our cohort in Year 2. We are always keen to work closely with the Local Authority and to ensure that all children receive a good education. Therefore, from September 2018 we will be increasing the size of our Year 2 cohort; we will have 3 classes in this year group. This will be reserved for children who currently don't have school places in September. The current Year 1 children in the cohort have been split across 3 classes and we are in the process of recruiting a teacher for this additional class. Until we are able to recruit a good teacher, Mr Allchin, a trainee teacher, will be teaching the class. He currently teaches in Year 2 in the afternoons so is therefore familiar with the curriculum requirements and he will be supported by Mr Clarke, our new Deputy Headteacher, Mrs Paterson and Miss Walter. The children will experience their new classes and classrooms during transition week. This change has been discussed with the children today and they have all met their teachers prior to transition next week.

Thank you for your continued support.

Kind regards

Mrs Olivier
