

Kind
Words

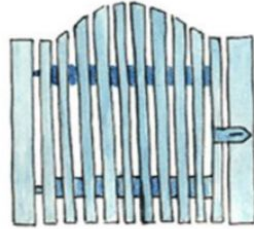

Before you speak your words,
ALWAYS pass through 3
gates...

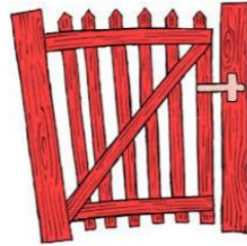

Kind feet

Is it
TRUE?

Is it
NECESSARY?

Is it
KIND?

SOUTH BOROUGH
Primary School

Black History Month

Our singer/songwriter of the week is **Marvin Gaye**

Last week we listened to the music of **Aretha Franklin**.

Have you listened to these artists yet?

Making Choices

TBAT think about the choices we make everyday and how we make them.

Who finds it difficult to make decisions sometimes?

TBAT think about the choices we make everyday and how we make them.

Who thinks they are good at making decisions?

It isn't always that easy.

TBAT think about the choices we make everyday and how we make them.

We all make choices.

Some are big choices and lots are small ones

TBAT think about the choices we make everyday and how we make them.

Our choices can have different kinds of outcomes.

They can be helpful or not helpful to us and to others.

TBAT think about the choices we make everyday and how we make them.

How can you make difficult decisions easier?

Reflection

Look at your hand.

Your hand is a good reminder of the fact that we all have a lot of power and choices to make.

Your hand can be used for good things, like as a sign of friendship, to 'fist bump' or to wave hello to someone.

But it can also be used to hurt people.

So can your voice. **Your voice is powerful.** It can be used to say kind words or be used to hurt others.

We all have a lot of choices to make everyday. Some big, some small.

How will you make your choices today and who will you talk to when you have big decisions to make?
