A Learning Ladder for Life

Friday 15th June 2018

Dear Parent/Carer

We are quickly hurtling towards the end of the academic year. Please keep an eye out for news on key events that are happening this term. As you will all be aware the last day of the term is Monday 23rd July, all children must attend this day. This day will be a non-uniform day and will be a day of fun activities.

Many children enjoyed buying gifts for their special person on Thursday. Some children spent a long time deliberating over the gift they should buy, decisions were not made lightly. I hope the gifts are well liked and you all have a good weekend, enjoying this special day for loved ones.

Congratulations to all the children who attended Head of School Tea Party this term. We enjoyed plenty of 'chit chat' and enjoyed a range of yummy food. I hope the children were pleased with the book they received as a reward for their continued hard work this term.

Friends of South Borough News

The FOSB Summer Fair is on Saturday 7th July . We still need volunteers to help set up and tidy up at the end of the day. If anyone has a gazebo they could lend for the day please come and speak to the office.

There will be a non-school uniform day on Thursday 28th June— dress up as a world cup footballer or supporter and bring a donation for the summer fair tombola

Thank you for your continued support.

Safer Mobility

This term year 2 are lucky enough to take part in Safer Mobility training every Wednesday. During the sessions, the children go to different places and roads near the school and learn how to cross the road safely.

The first two sessions have seen the children look at road markings and find a safe place to cross. When crossing the road, the children know they must stop, look and listen before crossing the road.

The children have really enjoyed the sessions so far and are looking forward to learning more about how we can be safe when crossing the road.

Safety In Action

Year 6 went on a trip to Maidstone

Barracks to attend a Safety in Action

event. South Borough has been invited to take part in this for a number of years and it never fails to be engaging and

informative for the

children. They took part in a number of activities looking at different areas of safety including:

safety at sea, on railways, with electricity, road safety, fire safety and anti-drugs and alcohol awareness as well as learning some basic first aid skills. Everyone who attended are all keen to share their safety knowledge with you, so ask an expert.
