A Learning Ladder for Life

Friday 15th February 2019

Dear Parent/Carer

Wow! What a great term, there has been some great learning opportunities taken up by the children and some great experiences had. The children continue to work hard and show us how much they love learning and enjoy the opportunities that the school gives them. Term 4 will continue to provide more amazing opportunities for the children to enjoy, hopefully the weather will continue to warm up and we will be able to make more use of the outside areas once again.

Bagels

The children have told us how much they are enjoying receiving a bagel in the morning, however I do need to remind you that there will be some mornings that these are not available, we receive them from a charity and there are some occasions when they are unable to make deliveries. We will send you a text as soon as possible to let you know if we have not received a delivery so that you can ensure your child has eaten plenty at home.

Mrs Melanophy

As you will all be aware, Mrs Melanophy left us last year at this time as her baby was due. She has decided that she will not return to South Borough, but instead is going to remain at home with her baby until he is older. I am sure along with the staff you will wish Mrs Melanophy well and hope that she enjoys her 'Mummy time'.

Car Park

Can I take this opportunity to remind you that the car park is part of the school grounds and is therefore a no smoking area. Please can I ask that you turn your car engines off whilst you are waiting to collect your children. I appreciate that the weather is colder, but leaving your engine running does fill the carpark with toxic fumes. Can I also remind you not to block the driveways of the residents of Stagshaw Close, this is very infuriating for them if they need to leave their property.

Diary Dates

Please check the diary dates pages carefully as there are always new dates being added and there are some important meetings planned in for Term 4 for Key Year Groups.

Thank you for your continued support.
