A Learning Ladder for Life

Attainment for All

How do children at South Borough Primary School with different levels of attainment at Key Stage 1 and pupils from disadvantaged backgrounds perform in terms of reaching the expected standard in reading, writing and maths?

Progress

At South Borough Primary School:

- pupils had an average progress score in maths in 2019 that was 3.7 compared to the national average of 0.
- pupils had an average progress score in reading in 2019 that was 4.2 compared to the national average of 0.
- pupils had an average progress score in writing in 2019 that was 2.8 compared to the national average of 0.

I would like to take this opportunity to congratulate all our staff, children and parents on this amazing achievement. Without the dedication of the staff and the support of the parents we would not be able to offer the children the opportunities we do.
