Dear Parents and Carers,

RE: Access to Remote Home Learning

Should the school need to close or if your child is at home isolating following government guidelines announced on Monday 16th March, your child/ren will be able to access home learning through a number of platforms.

Below is an outline of what is available for your child/ren at home. We understand that some of you may not have access to all of these, at the same time we want to make as much as possible available to you and your child/ren whilst they are at home and well enough to complete home learning.

1. Shared Google Drive

A step by step guide for parents and carers has been uploaded to the website as well as a direct link to the shared Google Drive under the tab 'Parents – Remote Learning'. The step by step guide has also been emailed to you. Through this platform you and your child/ren will be able to access learning which will be uploaded by your child/ren's class teacher. New learning will be available through this platform **every** Friday at 3:30pm (**starting Friday 27th March**).

Until this date and time you should continue to use the home learning uploaded to the school website under the 'Year Groups' and/or 'Nursery' tabs.

2. Mathletics

Children will be set tasks and learning using Mathletics. If your child/ren do not have a username or password please contact the school office immediately. These were handed out to children again yesterday and many of them are stuck in contact books.

3. Times Table Rock Stars

Children will be set tasks and learning using Times Table Rockstars. If your child/ren do not have a username or password please contact the school office immediately.

4. Lexia Core 5 Reading

Children in Years 3 and 4 and some children in other year groups have access to this platform. The username and password to access this personalised learning are the same as your child/ren's Mathletics details.

If you need further clarification please speak to Mr Clarke who will be on the playground at home time or your child's class teacher.

Yours sincerely,

Jeannine Olivier
Executive Headteacher
