Being Kind

Think...

What is kindness?

Who can be kind?

When can we be kind?

Scenario

A child is walking around the playground on their own.

What could you do?

Scenario

You notice the two children in front of you speaking in a lesson when they should not be.

What could you do?

Scenario

You are playing a game and someone is saying unkind words to another child.

What could you do?

What kindness did you notice?

Ideas to be kind

Before you speak your words,
ALWAYS pass through 3
gates...

Support each other

Check- what does the person want?

What do they need?

What do others around you need?

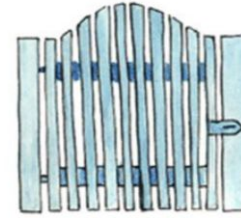

How can you help?

How can you help the people that help you?

How could you help the people who are unkind?

Is it
TRUE?

Is it
NECESSARY?

Is it
KIND?
