Tuesday 23rd May 2017

Dear Parents,

We will be entering a competition run by Kent County Council, which encourages the children to look for Maths all around them in their day to day lives. The aim of this is to show them how important Maths is outside of the classroom. We will also be holding our own competition in school and hope to collate and display all of the wonderful entries and ideas around the school.

The children need to look for Maths outside of school eg sale offers in a shop window offering 50% off or a road sign showing the distances to different places. It can be anything to do with any area of Maths. It doesn't just need to be calculation. Whatever they decide simply needs to be photographed and sent to the school, either by email or printed if you are able to do this. Please email entries to the school on the following address office@sbps.kent.sch.uk and we will forward it onto Kent County Council. Please state in the subject line that the email needs forwarding to Miss Foster. The closing date is Tuesday 6th June so we will need all entries by then.

Where is the Maths?

Get your students involved in our Maths Competition, winners to be announced at the Maths Conference 2017!

Students should take a photograph or draw a picture and explain why they have chosen that picture. Where could the Maths be in the picture?

All entries will receive a certificate and the winning entries (1 per year group) will receive a prize for their school.

Good luck!

Some ideas of pictures but you can use anything!

All entries must be received by Tuesday 6th June 2017 by email or by post, they should be emailed to EKSChlmpv@kent.gov.uk or posted to Brook House, Reeves Way, Whitstable, Kent CT5 3SS.

Kent County Council logo and images of a school building, a road sign, and a gate.

Have a great holiday and, whatever you are doing, be on the lookout for Maths around you! It is everywhere!

Many thanks for your support,

Miss C Foster
