19th June 2017

Dear Parents/ Carers,

With the Kingswood trip being on Friday, I have some last minute reminders and information for you. The contact number, for emergency use only, is **Grosvenor Hall** 01233 618250. This will take you through to the site and they will have my contact information to pass any necessary details on wherever we are on the premises. Please remember that the purpose of this trip is to build confidence and independence for the children and as such I would ask that you ensure that you only contact the camp in the event of an emergency.

Whilst our trip was not booked with water based activities, we have been allocated an evening session in the pool. I have checked that we will have appropriate life guards to ensure the safety of the children and Mr Knell is also a qualified life guard. For this reason, the children may now bring a towel and swimsuit with them.

In addition to these two pieces of information, I would like to remind you that as the weather is likely to be hot, please make sure that the children have hats, water bottles and sun cream. There will be water available on site to refill their bottles as needed. Also I would like to remind you that the children are not to bring mobile phones or cameras on the trip as they may well get lost or broken whilst participating in the activities. Staff will have school cameras and will take a lot of pictures, which will be put on the website on return to school for you to see the fun that your children have had and discuss their weekend with them.

I am sure that the children are going to have a great weekend.

Mrs N Paterson
Year 6 Class Teacher.
