

SOUTH BOROUGH PRIMARY SCHOOL

Year 6 Learning Flyer - Term 6

This Learning Flyer shows what your child will be learning this term.

English

In English, the children will be writing a narrative based on the short story 'The Paperman'.
The children will then be writing a narrative, with a focus on dialogue, based on the short film Alma.

How can you help?

- Paperman - [Watch the video here.](#)
- Dialogue lesson - [Dialogue for Aladdin](#)

Maths

Throughout the year, we have been building our knowledge. Now, we will put our understanding to the test by applying it to problem-solving activities.

How can you help?

Click the links below to view some problems to try at home.

- [4 by 4 Mathdokus](#)
- [Extending Fraction Bars](#)
- [Making Spirals](#)

Science

The topic from last term "Animals including humans" carries on into this term; looking at bodies going through puberty, the effects of drugs on bodies, the effects of exercise and the way our bodies change throughout our lives.

History

We will study the Cold War. We will explore many key factors, including "The Space Race".

How can you help?

- Research "The Space Race" with your parents.

Geography

Pupils will be learning about time zones, map projections and the Arctic and Antarctic circles!

How can you help?

- [Take a look at the different types of map here.](#)

Music

This term, we are exploring the unit 'Music and Me' listening to a variety of different artists. We will also be continuing to learn the songs for our production!

Physical Education

This term, we will be exploring athletic sports in preparation for Sports Day. With Coach, the children will be learning how to play Ultimate Frisbee / Four Square!

Computing

In this term's computing, the children will be inventing a product to showcase their skills. They will design, code and debug programs as well as creating advertisements.

Art

Year 6 will be learning about the maths inspired Dutch graphic artist M.C Escher. The children will use their honed sketching skills to emulate Escher's genius patterned artworks and create their own tessellation optical illusions!

RE Day

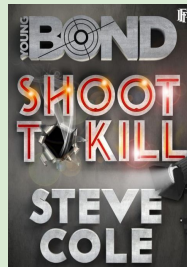

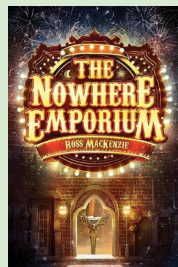

We will be exploring the morals and values of Humanists through the lens of our key question:

[What matters most to Humanists?](#)

Personal, Social, Health and Economic Education (PSHE)

Our topic in our jigsaw learning is "Changing Me". We will look at being aware of our own self-image as well as how our bodies develop. As well as this, we will identify what we are looking forward to and what we are worried about in secondary school.

Books we will be reading this term:

Value of the Term

Respect

We celebrate people's differences.

Home Learning

Remember to keep logging on to Mathletics to practise maths. Also, your class teacher will set you a maths/SPAG page to complete each week! Try to read and make sure you get your reading record signed to gain your reads!
