

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 2 Learning Flyer - Term 6

This Learning Flyer shows what your child will be learning this term.

### English

This term in reading we will be looking at a range of texts including George's Marvellous Medicine and Lila and the secret of rain. In writing, we will be covering poetry and will write our own poem as well as writing a description and a letter.

**How can you help?** Please keep practicing letter formation with your children as well as spelling of key year 1 and 2 words.

### Maths

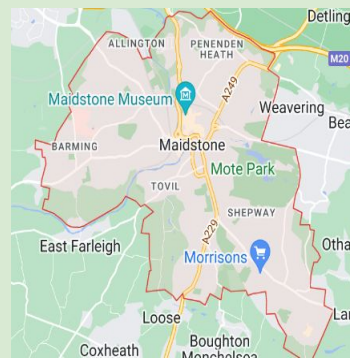

Our maths lessons this term will begin with statistics and interpreting bar charts and pictograms. We will also look at the position and direction of shapes and objects as well as how to read scales in grams, kilograms, millilitres and litres

**How can you help?** Encourage your child to play [TTRS](#) as well as regular practise on [Mathletics](#).

### Science

Our science topic this term will continue to explore living things and their habitats. We will choose an animal then design and make a habitat for it that will provide for its needs using junk modelling.

**How can you help?** Click [here](#) to view a lesson on habitats.

### Geography

This term, we are completing the topic 'spatial sense'. We will be looking at the location of our school and create a map for it. We will then use maps to plan routes and identify locations both locally and on a wider scale.

**How you can help?** Use google maps to explore your local area. Are there familiar places that your child can locate on the map?

### Art

This term year 2 will be immersed into the weird and wonderful world of Japanese artist Yayoi Kusama.

They will use their knowledge of lines, shapes and colour to create their own infinity artworks.

### Physical Education

In PE this term the children will be doing athletics. The children will spend some time practising the skills that they will use on sport day.

### Computing

In computing this term, we will be programming using scratch jr. We will use the programme to create an animation. The children will plan and use their own algorithm.

**How can you help?** Scratch Jr is available as a free app so the children can continue to practise applying their skills at home.

### Personal, Social, Health and Economic Education (PSHE)

This term's Jigsaw theme is "Changing Me". We will look at how things grow from young to old and look ahead to the year to come.

**How can you help?** Show your children pictures of themselves as babies as well as other family members and discuss how we have changed.

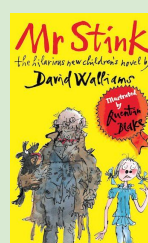

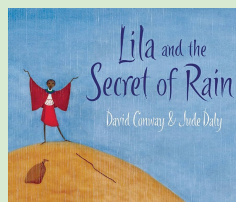

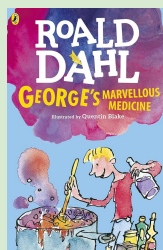

### Music

This term's topic is Reflect, Rewind and Replay, We will be Listening and Appraising Classical music. The children will also have a go at singing some songs and playing some instruments!

### RE Day - comparing religions

This term our key question is what does it mean to belong to a faith community. We will compare faiths and will also cover non-religious views.

### Books we will be reading this term:

### Value of the Term

**Respect**

**We celebrate people's differences.**

### Home Learning

Remember to keep logging on to Mathletics to practise maths. Try to read and watch phonics videos, get your reading record signed to gain your reads!
