

SOUTH BOROUGH PRIMARY SCHOOL

Year 3 Learning Flyer - Term 6

This Learning Flyer shows what your child will be learning this term.

English

This term, we are going to be writing a descriptive piece based on our learning of mythical creatures. We will use sophisticated language to create a picture of our imaginary beast in the reader's mind.

Later in the term, we will be retelling the tale of Little Red Riding Hood but from the wolf's perspective.

How can you help?

Click [here](#) to watch the original story being told.

Maths

In maths, the children will be learning about both money and time. They will be thinking about adding and subtracting money correctly and practising working out change from different amounts. The children will also be learning to tell time to the minute as well as find the duration of time.

How can you help?

Please spend time helping your child to learn the time to the nearest five minutes by regularly asking them at different times throughout the day.

Physical Education

With the coach the children will be working on rules and skills required to play four square and ultimate frisbee. With the class teachers they will be experiencing a wide range of athletic events as we move towards our annual sports day.

How can you help?

Click [here](#) to understand more about how to play four square.

Geography

This term, we are going to be developing on our existing knowledge of compasses and looking at 8 pointed compasses. We will also be learning to read Ordnance Survey maps and will take our learning out of the classroom on a visit to Hayle Park Nature Reserve.

How can you help?

Learn more about a compass by clicking [here](#).

Design Technology

Year 3 will be thinking about the digital world and how this affects product design and how it is incorporated into different products.

Science

In Science, we are continuing our topic *Animals including Humans*. We will be exploring food chains and identify producers, predators and prey.

How you can help?

Click [here](#) to see a lesson on food chains.

Music

This term, the children will be thinking about improvising using instruments to a range of songs.

Computing

In computing, the children will begin the term recapping the importance of staying safe online. They will then spend time learning and understanding databases.

Art

Year 3 will be learning about how to create patterns using the Japanese technique of Notan art. They will explore shapes and use positive and negative space to create patterns in their artwork.

History

This term we will be thinking about life in the stone age through to the iron age.

How you can help?

Click [here](#) to see a lesson on how we know so much about Prehistoric Britain.

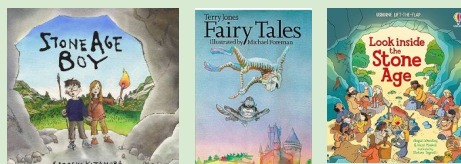

R.E. Day

This term during our R.E. day, we will be learning about how people from religious and non-religious communities celebrate key festivals and comparing beliefs.

Personal, Social, Health and Economic Education (PSHE)

In Jigsaw our theme is *Changing Me*. We will discuss a baby's needs and how they grow, we will begin to think about changes which will happen to us as well as think about the changes which are happening as we move towards Year 4.

Books we will be reading this term:

Value of the Term

Respect

We celebrate people's differences.

Home Learning

Remember to keep logging on to Mathletics to practise maths and Times Table Rockstars to improve recall of multiplication facts. Do not forget to bring your reading record in daily to gain your reads and earn rewards!
