

SOUTH BOROUGH PRIMARY SCHOOL

Year 5 Learning Flyer - Term 6

This Learning Flyer shows what your child will be learning this term.

English

In writing this term we will build upon our knowledge of narrative writing and write a first person story inspired by a short video called *Ruin*. We will also be writing persuasive speeches with an aim to changing your point of view. In reading we will be reading a new, thriller-style text in the book *Hacker* by Malorie Blackman.

How can you help?

Ask your child about what we are reading in school and ask them to give reasons to support whether they like it or not.

Maths

In term 6, we will be looking more work with decimals, including multiplying and dividing them by 10, 100, 1000. We will also be looking at volume and measuring amounts. This will include looking at common units of measurements and converting them. We will be sitting some end of year assessments in the first few weeks of term to gauge where the gaps are and where we can improve.

We will then be consolidating our learning from this year.

How can you help?

Click [here](#)

Science

The topic from last term "Animals including humans" carries on into this term; looking at bodies going through puberty, the effects of drugs on bodies, the effects of exercise and the way our bodies change throughout our lives.

Geography

In Geography this term, we will do a study on our local area and analyse the issues that it faces. We will be gathering information from our community members and analysing it for possible solutions.

How can you help?

Talk to your child about the issues such as traffic or litter that are visible in our local area.

History

This term we will be looking at the Victorians. We will be looking at their way of life, the Industrial Revolution, urbanisation and the Royals of the time!

How can you help?

Take a virtual tour of the Great Exhibition at [Click here](#)

Physical Education

This term we will be playing tag rugby. This is a twist on a classic game; instead of tackling each other they will remove tags - thus making the game a non contact sport. We will also be focussing on athletics and preparing for sports day!

Computing

In this unit we will be learning about pixels, CAD programs and data management.

Art

This term Year 5 will be exploring the whimsical world of of Graphic artist Jason Panda's tessellating animals!

They will create their own shape and learn how to move it to 'fit' and tessellate, making amazing patterned masterpieces!

RE Day - Christians

We will be look at Christians and their morals/values and important aspects of their faith through the lens of the question:

What matters most to Christians?

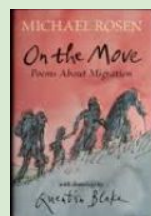

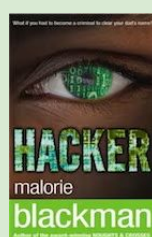

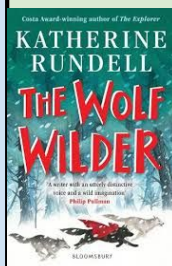

Personal, Social, Health and Economic Education (PSHE)

In PSHE, through the Jigsaw scheme, we will teaching about "Changing me" and how the body changes throughout puberty for boys and girls.

How can you help?

Discuss with your child how they are feeling about changes to their bodies.

Books we will be reading this term:

Value of the Term

Respect

We celebrate people's differences.

Home Learning

Remember to keep logging on to Mathletics to practise maths. Don't forget to read daily and get your reading record signed to gain your reads!
