

# SOUTH BOROUGH PRIMARY SCHOOL

## EYFS Learning Flyer - Term 3

This Learning Flyer shows what your child will be learning this term.

### **Phonics - Literacy**

Children in Reception will continue their phonics lessons, moving onto special friends; sounds like 'sh, th, ck'. They should continue blending simple words such as 'log', 'bag', and 'hen'. Children will also be encouraged to use their 'fred fingers' to sound out words and write them down.

#### **How can you help?**

[Practice reading green words](#)

### **Maths**

In Maths we are looking at numbers 0 to 8, focusing on subitising, one more, one less, composition and conceptual subitising. We are also going to make pairs discussing odd and even numbers and to find and make a double to 8. In addition, we are going to compare mass and capacity. In Nursery, we will be looking at patterns and sequences in song, print and routines. We will also begin looking at shape.

### **Understanding the World**

This term, we're exploring space! From Astronauts to the hubble telescope, we'll be looking at our planet and beyond. We'll be looking at how we built rockets and how the other planets in the solar system are different from planet Earth.

#### **How can you help?**

Take a look at the solar system! How is our planet different from the others in the solar system? Ask children what they think other planets would be like? [Click here](#)

### **Personal, Social and Emotional Development**

In Jigsaw or Circle time sessions we'll be thinking about how we overcome challenges and what our dreams and goals for the future could be. We will be using cooperation and teamwork inside and outside the classroom to tackle tasks and thinking about how we feel at different stages: at the beginning, middle and at the end when it's complete.

### **Communication and Language**

Reception and Nursery will be encouraged to express their ideas and feelings about their experiences using full sentences. We'll ask them to offer their opinions and ideas on how things work, from rockets to space travel.

#### **How can you help?**

Ask your child to tell you what they learnt about space today. Encourage them to speak in full sentences.

### **Expressive Arts and Design**

In Art the children will be independently making props and characters for our stories about space. Reception will also start to attend lessons with our art teacher to learn about composition, shape and colour. They will explore a variety of art materials like paint, crayons, and clay!

# Space

### **RE Day**

This term in RE we will be focussing on key question 'What stories are special to us?' focussing on the religion, Islam.

### **Physical Development**

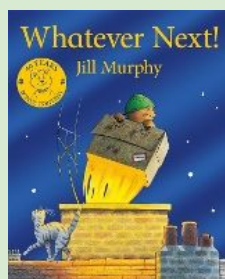

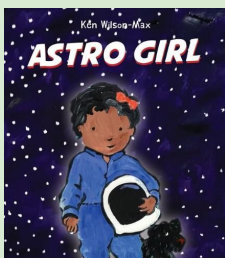

During free flow time, both Reception and Nursery will continue to develop their fine and gross motor skills. They will practice maneuvering through the space, navigating obstacles, and interacting with their environment. Reception will also begin their P.E. sessions this term, engaging in a variety of activities, from fun team games to calming yoga.

#### **How can you help?**

Work on gross motor skills like riding bikes, lifting and throwing a ball. Use youtube videos online such as Joe wicks or try some cosmic yoga here:
