

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 2 Learning Flyer - Term 3

This Learning Flyer shows what your child will be learning this term.

### English

This term our reading and writing is going to be based around animals. In reading, we will look at a range of fiction and non fiction texts and the children will continue to work on their comprehension skills. In writing, the children will be writing a recount, a set of instructions and an information text about animals.

**How can you help?** Please continue to read for 10 minutes each evening with your child to help them achieve their reading rewards.

### Maths

This term, we will be learning about shape, multiplication and division. The children will learn about the properties of 2D and 3D shapes and will then learn to multiply and divide by 2, 5 and 10 using arrays and sharing circles.

**How can you help?** Encourage your child to play numbots regularly. Practise the 2, 5 and 10 times table with your child.

### Science

In Science this term, our topic will be Animals including humans. The children will discuss what animals need for survival as well as exploring how they can keep themselves healthy.

**How can you help?** Encourage your child to think about how they stay healthy with their diet and exercise.

### Geography

This term, we will be learning about the British Isles. The children will learn about Scotland, Wales and Ireland. We will then compare life in Maidstone to life in Cape Town.

### Physical Education

In P.E this term the children will be taking part in gymnastics and football. The children's PE days are **Wednesday and Thursday**. Please ensure that children wear their PE kit to school on these days.

### Art

This term we will be learning about the French artist Henri Rousseau. The children will learn about texture and create some amazing animal collages!

### Personal, Social, Health and Economic Education (PSHE)

In PSHE this term, our topic will be dreams and goals. The children will discuss their own strengths and will explore how they can help others to learn when working in groups.

**How you can help?** Discuss your child's strengths with them to help them celebrate their own achievements.

### Computing

In computing this term, Year 2 will explore word processing. They will practise typing into a word document and will then learn how to add images and alter text styles which will give them the skills to create a digital piece of writing at the end of term.

**How can you help?** Please continue to discuss online safety with your child.

### RE Day

This term's RE day will focus on Islam. We will look at who a muslim is and what they believe.

### Books we will be reading this term:

### Value of the Term:

**Respect/Kindness**

**We celebrate people's differences.**

**We think before we speak.**
