

# SOUTH BOROUGH PRIMARY SCHOOL

## Year 6 Learning Flyer - Term 3

This Learning Flyer shows what your child will be learning this term.

### English

This term we will be producing a short narrative based upon the short animation Francis. The pupils will also look at creating a narrative poem based upon the tale of the three brothers from Harry Potter.

#### How can you help?

Log in to [Rollama](#) throughout the week to work on your grammar, punctuation and spelling.

### Maths

We will begin this term by recapping the four operations, including fractions. After this, we will move on to converting measurements. We will convert and calculate with metric measures, imperial measures as well miles and kilometres. Following this, we will look at ratio and algebra.

#### How can you help?

Encourage your child to play [TTRS](#) for a few minutes, 4-5 times a week.

### Science

In Science this term, we will then be exploring properties and changing materials. We will identify which properties materials have, scientific methods for separating materials and identifying reversible and irreversible changes.

#### How can you help?

[Watch this BBC video about properties and changing materials!](#)

### Design Technology

This term, we will be looking at an essential life skill - cooking! We will be preparing and creating a 3-course meal following a selection of recipes!

### History

This term, our topic will be 'The Rise and Fall of Hitler'. We will explore the Armistice and the Treaty of Versailles as well as what life was like in Nazi Germany.

### Physical Education

Our outdoor PE session will be based on Netball / Basketball. The children will be developing their team-work skills. With our Team Theme coach, the children will be learning gymnastics.

### Computing

The pupils will be focussing on coding and creating repetitive codes and loops. They will be exploring a range of different systems for coding, including Trinket and [Turtle Academy](#).

Using these platforms, they will solve a range of challenges and create a variety of diagrams.

### Art

This term y6 will be using a variety of media to define their use of actual and visual texture in their work. They will be studying the contemporary artist Stephanie Peters and her impasto painting style to create their own nature inspired masterpieces!

### Geography

This term's Geography learning will be based on the topic North America. We will explore different cities, rivers and the climate in this continent before comparing it to the UK!

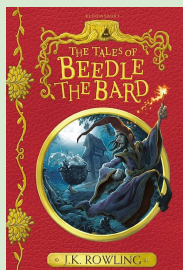

### RE Day

Our question this term is 'What does it mean to be a Muslim in Britain today.'

### Personal, Social, Health and Economic Education (PSHE)

In Jigsaw, our theme is 'Dreams and Goals'. Children will be setting their own goals and understand what steps and motivations they need to ensure their success.

### Books we will be reading this term:

### Value of the Term

**Respect/Kindness**

**We celebrate people's differences.**

**We think before we speak.**
