Food!

At PGL centres, they are able to deliver catering provision for many dietary requirements as specified by culture, religion and medical concerns. They regularly provide meals for a wide variety of needs including coeliac, diabetic, food allergies and vegetarian/vegan.

There are freshly-prepared hot or cold options available at every mealtime and a self-service salad bar for children to help themselves to as much salad as they like at lunch and dinner. Homemade soup is available most days and there is plenty of bread and fresh fruit available, as well as hot and cold drinks.

Sample Menu

Fussy Eaters

PGL know that some children are very particular about what they eat and if the menu doesn't suit, they can provide alternatives to ensure no-one leaves the dining room hungry. PGL do often find, however, that children are more likely to try new things at PGL that they wouldn't normally eat at home - it's all part of the PGL experience!

Food Continued

“Whilst we are unable to cater for more specific requirements such as organic-only diets or weight management programmes, we do request that you speak to your Party Leader to discuss any concerns you may have regarding dietary requirements as soon as possible. We may occasionally ask parents to provide items that are hard to get hold of locally, particularly overseas. While we will do our best to cater for special diets, it may not always be possible to meet all complex requirements.”
